John Harris Curry
Associate

Mr. Curry graduated from The George Washington University in 2004 with a Bachelor of Science in Electrical Engineering. In 2007, Mr. Curry received his J.D. from The George Washington University Law School. Mr. Curry's practice is focused primarily on patent litigation and prosecution in the areas of electrical and computer engineering, software and business methods, and mechanical engineering.

Prior to attending law school, Mr. Curry spent three summers interning at Raytheon Missile Systems where he worked on developing flight software for missiles. Additionally, Mr. Curry spent a brief stint working for a small lobbying firm on Capitol Hill. While attending law school, Mr. Curry was a law clerk at Rothwell, Figg, Ernst & Manbeck, P.C. where he worked on a variety matters including patent litigation, U.S. patent prosecution, and opinion work.
