Robert B. Murray
Member

Mr. Murray's practice involves the full spectrum of intellectual property, with special emphasis on pharmaceuticals, biotechnology, as well as other areas of chemistry, and mechanical inventions. For many years he has been responsible for the preparation and prosecution of hundreds of U.S. and foreign patent applications. He is involved in business counseling and interparte matters, including litigation. Mr. Murray has been involved in a number of court trials involving patent infringement, antitrust and trade secrets issues, and has been involved in negotiating settlements of many more disputes. He has participated in the preparation of many opinions, with emphasis on patent infringement and validity, in many technical fields, and the preparation of a significant number of licenses of intellectual property.

Mr. Murray received a B.S.Ch.E. degree from the University of Missouri in 1958, and a J.D. from American University in 1967. He was admitted to the bar in the District of Columbia in 1967. He is also admitted to practice before the U.S. Supreme Court and the U.S. Court of Appeals for the Federal Circuit. He has been registered to practice before the U.S. Patent and Trademark Office since 1966. Prior to law school, he worked for several chemical companies, mainly in the polymer field.

He is a member of the American Intellectual Property Law Association, Licensing Executives Society, FICPI, and AIPPI, and has taught for the Patent Resources Group.
