

Partner In Innovation

Rothwell Figg is a forward-thinking, client-focused law firm practicing at the convergence of intellectual property, litigation, and technology. An interdisciplinary team of scientists, engineers, and litigators, who think and operate with our clients as strategic partners, we provide a comprehensive range of IP, litigation, and technology services for U.S. and international clients, from startups to multinationals, and in every imaginable industry. We have the bandwidth to handle the largest, most complex, high stakes matters in the most sophisticated and complex technology areas. We are passionate about empowering our clients to meet their business objectives through protecting, enforcing, and monetizing their IP and technology. And, we are adaptable, collaborative, and nimble, able to deliver valuable results in all matters, small and large.

By collaborating with our clients, we develop an understanding of their marketplace, the stage they are at in their businesses, and their goals. We then craft a strategic solution and apply our experience and judgment to produce results. Whether protecting, enforcing, or defending a client's innovations, we bring unrivaled judgement, unmatched knowledge, and an uncanny ability to see what's coming next.
