

## 2018 Casey Cares Foundation Annual Gala

Event  
Baltimore, MD  
3.24.18

Rothwell Figg is proud to sponsor the Casey Cares Foundation Annual Gala, taking place Saturday, March 24, 2018, at the American Visionary Art Museum in Baltimore, Maryland. Proceeds from the gala directly benefit Casey Cares programs for critically ill children and their families.

The Casey Cares Foundation provides uplifting programs with a special touch to critically ill children and their family members. In 2000, beginning with five families, Casey Baynes founded the Casey Cares Foundation. To date, they have provided programs for over 13,000 participants in the Mid-Atlantic area. The Casey Cares Foundation, a 501(c) 3 organization, has a direct impact on critically ill children by customizing uplifting and gratifying activities like tickets to sporting events, concerts, dinners out, weekend vacations and group parties. For families whose pocketbooks and faith has been stretched to their breaking points, Casey Cares eases the burden of caring for a critically ill child by providing the “simple pleasures” for families that must make every day count.
