

Casey Cares Foundation 19th Annual Gala

Event
Baltimore, MD
3.23.19

Rothwell Figg is proud to sponsor the Casey Cares Foundation's 19th Annual Gala, taking place Saturday, March 23, 2019, at the American Visionary Art Museum in Baltimore, Maryland. Proceeds from the gala directly benefit Casey Cares Foundation's programs for critically ill children and their families.

The Casey Cares Foundation is a non-profit organization that provides uplifting programs with a special touch for critically ill children and their families through the Mid-Atlantic region. In 2000, beginning with five families, Casey Baynes founded the Casey Cares Foundation. Now, they provide programs to thousands of participants in the Mid-Atlantic region and portions of the Midwest. The Casey Cares Foundation, a 501(c) 3 organization, has a direct impact on critically ill children by customizing uplifting and gratifying activities like tickets to sporting events, concerts, dinners out, weekend vacations, and group parties. For families whose pocketbooks and faith has been stretched to their breaking points, Casey Cares eases the burden of caring for a critically ill child by providing the "simple pleasures" for families that must make every day count.
