Associate Jennifer Maisel will participate in an American Bar Association (ABA) CLE webinar titled "Navigating the Information Universe," at 1:00 p.m. Eastern on Monday, November 18, 2019. The webinar is part of the ABA's *In the Know* series, a monthly CLE series and an exclusive Business Law Section member benefit.

The webinar will explore how organizations are dealing with the ever-expanding information universe, and will provide four different perspectives on winning and losing in the age of information. The topic is relevant to lawyers, privacy professionals, compliance professionals, and business colleagues.
