

Richard Wydeven at ABA Webinar on Emerging Issues in Health Devices and Privacy

Speaking Engagement
6.25.21

Partner Richard Wydeven ("Rick") will moderate an American Bar Association (ABA) webinar titled "Health Devices and Privacy - Emerging Issues" on June 25, 2021, at 1 pm EST. The webinar is sponsored by the ABA Section of Science & Technology Law, specifically the Biotechnology, Healthcare Technology, and Medical Devices Committee, co-chaired by Rothwell Figg partner Aydin Harston, and the ePrivacy Committee.

Speakers from Medcurity Inc., Hologic Inc., and Microsoft will join Rick for a 60-minute discussion on HIPAA issues, FTC's oversight over health privacy, interoperability and information blocking, health equity and data issues, security of connected devices, telehealth policy, artificial intelligence in the medical device space, and related privacy issues.

Registration for the webinar is open to ABA members and non-members.
