Partner Sharon Davis will moderate a panel titled, "Off-Setting the Impact of Decreasing Budgets With Creative Solutions" during the 2020 Women, Influence & Power in Law (WIPL) Virtual Summit taking place October 26-30, 2020.

Sharon will moderate a discussion on Monday, October 26, at 2:30 PM ET with in-house women from Transurban Inc., ViacomCBS Inc., NBCUniversal Media, LLC, and RGF Environmental Group, Inc. As department goals have become more dynamic, often budgets remain stagnant or shrink. While these external pressures are escalating, internal corporate demands to reduce costs are also intensifying. As a result, General Counsel are beginning to explore creative new solutions to approach their budgets, manage their resources, and maximize their value. The conversation will cover top strategies for effectively managing resources across the legal department, creative techniques and solutions for getting the most out of your budget, maximising the value from your external partners/ALSPs/LPOs and providers, and unlocking support from wider business functions.

Rothwell Figg is proud to be a sponsor of the 2020 virtual conference.
