

Brian Rosenbloom and Jennifer Maisel at PSMA Webinar on IP Protection Strategies for AI in Power Electronics

Speaking Engagement
9.7.23 | 11:00 am ET

Partners Brian Rosenbloom and Jennifer Maisel will present a webinar titled "Intellectual Property Protection Strategies for AI in the Power Electronics Industry" for the Power Sources Manufacturers Association (PSMA) Power Technology Roadmap Webinar Series. The webinar will take place on Thursday, September 7, 2023, at 11 am ET. The event is free of charge and open to the public.

The webinar will present intellectual property (IP) protection strategies for AI technologies in the power electronics industry. Brian and Jen will cover IP protection basics (e.g., patents v. trade secrets) and recent developments in laws and regulations concerning AI technology, as well as provide specific strategies and tips for developing a strong patent portfolio while addressing specific considerations for AI technologies.

The webinar is free and open to the public.
