Partners R. Danny Huntington, Sharon Crane, and Jennifer Maisel will attend the Fédération Internationale des Conseils en Propriété Intellectuelle (FICPI) 21st Open Forum taking place October 4-7, 2023, in London, United Kingdom.

The FICPI 21st Open Forum is an opportunity to gather insights from the international IP attorney community on IP practice-related issues or topics of IP law, while building business relationships and friendships. The Forum will feature top quality speakers and topics. Sharon is the Patent Stream Leader for the Forum.

Highlights of the 2023 meeting in London include:

- **IP LAW UPDATE** Debate with leading experts from the profession, IP offices, governments, and the judiciary, important developments in the field of IP law and practice and their impact on your day-to-day practice.
- **IP FIRM MANAGEMENT** Exchange ideas with colleagues from the IP profession on how best to manage and adapt your IP practice to the challenges of increased competition, harmonisation and centralisation and the 4th Industrial Revolution.
- **RELATIONSHIP BUILDING** Whether this will be your first FICPI Open Forum or your 21st, the FICPI London Open Forum will offer delegates multiple opportunities to meet and get to know colleagues from all over the world, during the working and social programmes.

FICPI is the only international NGO whose membership consists exclusively of IP attorneys in private practice. As a result, the FICPI community is driven by a shared interest to promote solutions and advocacy for private IP practitioners.
