

## 2022 LMG Life Sciences Rankings, Acknowledging Top Firms and Attorneys in the Sector, Include Rothwell Figg and Four Attorneys

Accolades & Honors  
9.21.22

LMG Life Sciences, the only legal ranking directory identifying the leading law firms and individuals in each practice of the life sciences industry, includes Rothwell Figg and firm attorneys E. Anthony Figg (“Tony”), Steven Lieberman, Joseph Hynds (“Joe”), and R. Danny Huntington in its 2022 rankings. The firm is ranked in the areas of Hatch-Waxman Patent Litigation (Generic) and Patent Prosecution in the United States. Firms and attorneys included in the guide are ranked based upon three key criteria: case evidence, peer feedback, and client feedback.

Tony has been a Life Sciences Star since 2013 and is recognized for General Patent Litigation and Hatch-Waxman Patent Litigation in the 2022 rankings. He was shortlisted for Patent Strategy Attorney of the Year in the D.C. Metro area in the 2022 annual LMG Life Sciences Americas Awards. In 2018, he was inducted into the LMG Life Sciences Hall of Fame for his remarkable achievements in the industry. Tony specializes in intellectual property law, with emphasis on the chemical, pharmaceutical, healthcare, and biotechnology industries. His practice focuses on patent litigation and *inter partes* matters before a wide range of tribunals, appeals, alternate dispute resolution, patent procurement, intellectual property licensing and related contract matters, opinions, and strategic counseling.

Steven is recognized for Patent Strategy & Management, General Patent Litigation, and Hatch-Waxman Patent Litigation. He is a litigator and counselor whose private law practice encompasses the spectrum of intellectual property law, from patent litigation, especially in the pharmaceutical-medical area, to eCommerce, privacy, and post-grant proceedings. He has successfully represented a wide range of clients, from very large pharmaceutical companies to start-ups and small enterprises. Steven is an accomplished First Amendment litigator with a strong devotion to issues of constitutional law and religious liberties.

### Key Contacts

E. Anthony Figg  
R. Danny Huntington  
Joseph A. Hynds  
Steven Lieberman

Joe, recognized for Hatch-Waxman Patent Litigation, is a first-chair patent litigator with over three decades of experience achieving successful outcomes in complex cases for clients that span the technical gamut, including pharmaceuticals, biotechnology, medical devices, agricultural equipment, security systems, telecommunications, and e-commerce. Whether representing his clients in litigation or post-grant proceedings before the Patent Trial and Appeal Board (PTAB), providing pivotal counsel on a variety of IP issues, or managing complex patent portfolios, Joe is focused on aggressively representing his clients' interests.

Danny is recognized in the 2022 rankings in the practice areas of General Patent Litigation, Patent Prosecution, and Patent Strategy & Management. Danny is involved in all phases of intellectual property law, including U.S. and foreign patent prosecution, litigation in the federal and state courts, licensing, and general client counseling. He has extensive patent interference experience, with particular experience in biotechnology and pharmaceuticals.
