Chambers & Partners is well-known among clients globally and is trusted to objectively rank the world's best lawyers and law firms. Firms and lawyers need to demonstrate sustained excellence in order to be ranked in the guide. Individual lawyers are ranked on the basis of their legal knowledge and experience, their ability, their effectiveness, and their client-service. Practice areas are ranked on the qualities of their lawyers, as well as the effectiveness and capability of the department as a whole, including its strength and depth. Ranking tables are compiled through assessment of a firm's work as well as opinions from external market sources, with an emphasis on client feedback. Firms are not required or allowed to pay a fee to be ranked or to have their attorneys ranked. For more information, visit [click here](#).
