rankings are based on the highest lawyer and firm participation on record, incorporating 8.3 million evaluations of more than 110,000 individual leading lawyers from more than 22,000 firms. The rigorous evaluation process includes the collection of client and lawyer evaluations, peer review from leading attorneys in the field, and review of additional information provided by law firms as part of the formal submission process. To be eligible for a ranking, a firm must first have a lawyer recognized in The Best Lawyers in America[®], which recognizes 5% of lawyers practicing in the United States.
