Partner Jenny Colgate, the first female beer vendor at the Philadelphia Phillies' Veterans Stadium, is featured in an article titled "Getting Hammered with 'Nails'" in the 2020 Edition of the Washington, DC Super Lawyers Magazine.

Jenny, named among the Washington, DC Rising Stars (2013-2020), was nicknamed 'Nails' while growing up on a horse farm and pursued the job selling beer during the summer of 2000 while on break from the University of Pennsylvania. Jenny compares the job to her current role as an intellectual property litigation attorney: "I will say, the first time I had to go out, being in a ballpark full of people and just having to yell ... that was a terrifying moment. And then you get used to it. Similarly, when you're lawyering, while it's not a big crowd, a judge can be fairly intimidating. But you get used to it."
