Accolades & Honors  
9.25.19

The firm and two partners, Steven Lieberman and Sharon Davis, are once again ranked in the newest edition of Benchmark Litigation, the definitive guide to America's leading litigation law firms and lawyers. The 2020 guide includes the firm as "Recommended" in the District of Columbia, and Steven and Sharon are named "Local Litigation Stars" for intellectual property in the District of Columbia.

Benchmark Litigation is the only publication on the market to focus exclusively on litigation in the US. Since its inception 12 years ago, the Benchmark brand has grown dramatically and garnered industry-wide accolades as the definitive hub for in-depth analysis of the players shaping the dynamic practice of litigation. Research is conducted through extensive interviews with litigators, dispute resolution specialists, and their clients to identify the leading litigators and firms. During these interviews, researchers examines recent casework handled by law firms and asks individual litigators to provide their professional opinions on peers and practitioners within their jurisdiction or practice area. Neither firms nor individuals can pay to be recommended for the guide. To learn more, and to see the full rankings, please visit Benchmark Litigation at <https://www.benchmarklitigation.com/>.
