Partner Steven Lieberman was named a Client Service All-Star for 2015 by the BTI Consulting Group. Steven was added to this exclusive list because of his exemplary client service.

Steven is one of only 354 individual attorneys nationwide recognized as BTI Client Service All-Stars 2015. This list is the end result of nearly 320 in-depth, independent interviews with legal decision makers at the world's leading organizations. The only way to become a BTI Client Service All-Star is for corporate counsel to single out an attorney for his or her client service.

"We are extremely proud of Steven," Rothwell Figg founder and partner E. Anthony Figg said. "As a firm we pride ourselves on taking the time to get to know each client and their business. Steven is a shining example of how these strong relationships and our commitment to our clients helps us achieve the best possible outcome for them at all times."
