Accolades & Honors  
9.30.21

The 2022 rankings of Benchmark Litigation, the only publication on the market to focus exclusively on litigation in the U.S., recommends Rothwell Figg for Dispute Resolution in the District of Columbia, and ranks Steven Lieberman and Sharon Davis as Local Litigation Stars both in the District of Columbia and in the United States nationally.

Since its inception 14 years ago, the Benchmark brand has grown dramatically and garnered industry-wide accolades as the definitive hub for in-depth analysis of the players shaping the dynamic practice of litigation. Research is conducted through extensive interviews with litigators, dispute resolution specialists, and their clients to identify the leading litigators and firms. During these interviews, we examine recent casework handled by law firms and ask individual litigators to provide their professional opinions on peers and practitioners within their jurisdiction or practice area. Analysis of the market's most important cases and firm developments are also factors in the rankings.
