The 2024 Top 150 Under 150 list by Vault Law, a list of leading small and midsize law firms with 150 lawyers or fewer, includes Rothwell Figg. Vault created this list to recognize outstanding smaller firms that deliver big results.

To determine the Top 150 Under 150, Vault first developed a list of the best-known and most sought-after U.S. firms with 150 attorneys or fewer. Their editorial and research teams went through through Vault survey data, news stories, trade journals, and other legal publications; spoke with lawyers in the field; and reviewed other published rankings. Vault editors also assessed each firm for prestige, quality of life, and professional growth opportunities and then narrowed down the results to come up with a list of 150 law firms known for providing top-notch service and delivering big results.

Since 1996, Vault has been providing in-depth intelligence on what it's really like to work within an industry, company, or profession, and it is best known for its influential ratings, rankings, and reviews on thousands of top employers and internship programs.
