Accolades & Honors

6.21.23

Vault's 2024 Best Intellectual Property Specialty Law Firms list, compiled from votes by associates working in the area at peer firms, includes Rothwell Figg in the #6 spot. This is the third year in a row the firm has been included in the top 10 - in the 2022 and 2023 rankings, the firm was in the #9 spot.

Each year, Vault ranks law firms in a variety of practice areas based on the perceptions of associates practicing in those areas. Associates were asked to vote for up to three firms they consider strongest in their practice areas and were not permitted to vote for their own firms. For example, associates who identified themselves as corporate attorneys were allowed only to vote in corporate-related categories (securities, financial services, etc.). The rankings list the top firms in each area, as well as the total percentage of votes cast in favor of each ranked firm. The 2024 rankings are derived from Vault's Annual Associate Survey conducted between late January 2023 and March 2023.

Since 1996, Vault has been providing in-depth intelligence on what it's really like to work within an industry, company, or profession, and it is best known for its influential ratings, rankings, and reviews on thousands of top employers and internship programs.
