

## Three Rothwell Figg Attorneys Included Among IAM Global Leaders 2023

Accolades & Honors  
11.21.22

E. Anthony Figg ("Tony"), Steven Lieberman, and R. Danny Huntington are included in the 2023 edition of IAM Global Leaders, an esteemed group who merit special attention – not only because of their expertise and experience related to creating, protecting, managing, transacting, and enforcing critical patent rights, but also for their ability to innovate, inspire, and go above and beyond to deliver value for their clients.

To qualify for inclusion, individuals must be ranked in the gold tier of the IAM Patent 1000: The World's Leading Patent Professionals – the market-leading annual directory that identifies the top law and attorney firms and individuals in the world's most important patent jurisdictions. IAM Patent 1000 ranking are compiled through an exhaustive process. Researchers gather hundreds of written submissions from firms detailing their recent activities, conduct hundreds of face-to-face and telephone interviews, and correspond, over a four-month period, with patent lawyers, attorneys, and their clients. The 2022 edition of the IAM Patent 1000 rankings include Tony as a Luminary in the DC metro area; Steven ranked in litigation in the DC metro area and for post-grant proceedings nationally; and Danny ranked in prosecution in the DC metro area and for post-grant proceedings nationally.
