

Vault 2023 Includes Rothwell Figg in Rankings of Best Intellectual Property Boutique Law Firms

Accolades & Honors

7.1.22

Rothwell Figg ranks #9 out of 20 firms in Vault's 2023 list of Best Intellectual Property Boutique Law Firms. This is the second year the firm has been included in the top 10.

The law firms included in Vault's Best Law Firms by Practice Area rankings were voted strongest in each practice area by associates working in that area at peer firms. Associates were asked to vote for up to three firms they consider strongest in their practice areas and were not permitted to vote for their own firms. For example, associates who identified themselves as corporate attorneys were allowed only to vote in corporate-related categories (securities, financial services, etc.). The 2023 rankings are derived from Vault's Annual Associate Survey conducted between late January 2022 through early April 2022.

Since 1996, Vault has been providing in-depth intelligence on what it's really like to work within an industry, company, or profession, and it is best known for its influential ratings, rankings, and reviews on thousands of top employers and internship programs.
