Associate Richard Waterman's article "*Kannuu v. Samsung*: Forum Selection Clause Did Not Prohibit IPR Challenges" was recently republished in volume 41, number 3 of The Licensing Journal, a publication by Wolters Kluwer.

Originally published on Rothwell Figg's PTAB Law blog in February 2021, the article discusses how the parties' forum selection clause in their non-disclosure agreement did not prevent one of the parties from challenging the others patent in an IPR proceeding.

The Licensing Journal is the leading source of in-depth, practice-oriented licensing guidance by top attorneys in intellectual property, computer technology, and entertainment law. Published ten times a year, it contains valuable strategies, cautionary tips, and creative approaches to structure the most lucrative and secure licensing deals.
