

Food Tech Patents: Who's on the Board and What Moves are they Making?

Authored by Sheena Wang and Malissa Magiera and published in Wolters Kluwer The Licensing Journal

Article
5.31.23

Associates Sheena Wang and Malissa Magiera's article, "Food Tech Patents: Who's on the Board and What Moves are they Making?" originally published on the firm's emerging companies blog, RF EMerge, was published in Wolters Kluwer's *The Licensing Journal*, May 2023, Volume 43 Number 5.

The Licensing Journal is the leading source of in-depth, practice-oriented licensing guidance by top attorneys in intellectual property, computer technology, and entertainment law. Published ten times a year, it contains valuable strategies, cautionary tips, and creative approaches to structure the most lucrative and secure licensing deals. *The Licensing Journal* features regular columns on licensing in: character; corporate; sports; collegiate; and toy and hobby markets. Plus ongoing, in-depth coverage of critical developments in trademark law, licensing around the world, royalty rates, and the latest business developments. No other journal covers so much ground to keep you on top of the licensing scene.
