3.9.22

Rothwell Figg partners Steven Lieberman, Joseph Hynds, R. Danny Huntington, and Jennifer Nock authored the 'Law & Practice' section of the USA chapter in the 2022 Chambers Global Practice Guide on Patent Litigation. The guide provides the latest information on intellectual property (IP) rights and granting procedures, initiating a patent infringement lawsuit, patent revocation/cancellation, patent remedies, litigation costs, alternative dispute resolution (ADR), and assignment and licensing of IP rights in the United States.

Chambers Global Practice Guides provide in-house counsel with expert legal commentary on the main practice areas in key jurisdictions around the world. The guides focus on the practical legal issues affecting business and enable the reader to compare legislation and procedure across a range of key jurisdictions. The 'Law & Practice' sections provide easily accessible information on navigating the legal system when conducting business in the jurisdiction. Leading lawyers explain local law and practice at key transactional stages and for crucial aspects of doing business.

Rothwell Figg was invited to be a Contributing Editor due to Steven's inclusion in the relevant Chambers Guide as among the best in the field.
